

# Progress Summary Report for: School A-1 School Year: 2013 - 2014

Total Child Count: 13      With IEP: 5      ELL: 0

The Progress Summary Report shows the progress of children over time based results from the Predictive Assessment of Reading (PAR). The stacked bar graph represents the number of children in one of seven (7) categories and is based on the child's standard score in each subscale and the overall total standard score. Each of the color blocks represent a specific group of children beginning with:

- . ONO - children expected to require one-on-one assistance.
- . SG - children expected to need small group assistance.
- . EI - children expected to need enhanced instruction (a combination of small group and whole class instruction).
- . AVG - children whose scores indicate they progress sufficiently with normal whole classroom instruction.
- . AAVG - children whose scores are above average but still within the same grade level.
- . OGA - children whose scores indicate they are one grade level above their current grade level.
- . TGA - children whose scores indicate they are approaching two grade levels above their current grade.

| Scale | Grade | Period | Children with Scores |  |
|-------|-------|--------|----------------------|--|
| LWSS  | Pre-k | Winter | 6                    | 2 (AVG) + 4 (AAVG)                     |
|       | K     | Winter | 7                    | 2 (AVG) + 2 (AAVG) + 1 (OGA) + 2 (TGA) |
| PNSS  | Pre-k | Winter | 6                    | 4 (SG) + 1 (EI) + 1 (AVG)              |
|       | K     | Winter | 7                    | 2 (SG) + 1 (EI) + 2 (AAVG)             |
| PASS  | Pre-k | Winter | 6                    | 1 (AVG) + 2 (AAVG) + 1 (OGA) + 2 (TGA) |
|       | K     | Winter | 7                    | 4 (AVG) + 1 (OGA) + 2 (TGA)            |
| RNSS  | Pre-k | Winter | 6                    | 3 (AVG) + 3 (AAVG)                     |
|       | K     | Winter | 7                    | 2 (EI) + 4 (AVG) + 1 (AAVG)            |
| Total | Pre-k | Winter | 6                    | 5 (AVG) + 1 (AAVG)                     |
|       | K     | Winter | 7                    | 3 (AVG) + 2 (AAVG) + 2 (TGA)           |
